UpToDate Donation Program

UpToDate® — an evidence-based, physician-authored clinical decision support tool — has partnered with GHDonline to provide free subscriptions to qualifying GHDonline members.

Apply for a subscription

For one year access
(Approval may take 1-2 months)

[Apply for a subscription](#)

UTD Donation Program applicants must:

- Deliver medical care, medical education, or related services to **poor or underserved populations outside the United States of America** (Medical students must be able to demonstrate that they will use UpToDate as part of a project in a resource-limited setting, and their application should include the name of their mentor or supervisor)
- Have at least intermittent internet access
- Be able to provide evidence that they or their organization cannot afford to subscribe otherwise (**for-profit organizations are not eligible to apply**)
- **Be proficient in English** — the application must be completed in English, as UpToDate is currently unavailable in other languages
- Have their own GHDonline account

I already have a GHDonline account

I need to create a GHDonline account

Requirements, Terms, Review Process

Recipients of donated subscriptions must agree to:

1. Provide monthly feedback on UpToDate in a GHDonline private community. (You will receive further instructions if your application is approved.)
2. **[Grant Privacy Policy, Requirements and Termination Clause \(PDF\)](#)**
3. **[UpToDate, Inc. Subscription and License Agreement \(PDF\)](#)**

Note: Some UpToDate donations have subsequently led to paid subscription accounts; in some circumstances, applicants may be contacted by UpToDate sales representatives to facilitate such arrangements.

I agree to the terms

What is needed to apply for free access

This application is divided into 3 parts:

1. **About you:** provide professional certification information along with contact details
2. **About your place of work:** where you work, the services you provide, your role/status within the organization, and the infrastructure available to you
3. **Why you need a donated subscription:** 2-3 sentences describing the need for a donated subscription, how an UpToDate subscription will improve the impact of the services you are providing, and current challenges you face

Apply for a subscription

UpToDate Individual Application

The GHD UpToDate International Grant Program aims to identify candidates who:

- Provide medical care or education to poor or underserved populations
- Are in a position to use UpToDate to make a positive impact on their community
- Are otherwise unable to pay for a subscription or receive access through their institution(s)

Please note: only complete applications filled out in English will be reviewed.
